

Thank you for buying this app, In this documentation, I'll help you set up the app.

API Key:

To get free api key of Plant.id here's the steps:

1. Go to <https://web.plant.id/plant-identification-api/>
2. On free tier, click on "Request access key"
3. Then fill the form, and once they process your request, you will get your API KEY in your email.

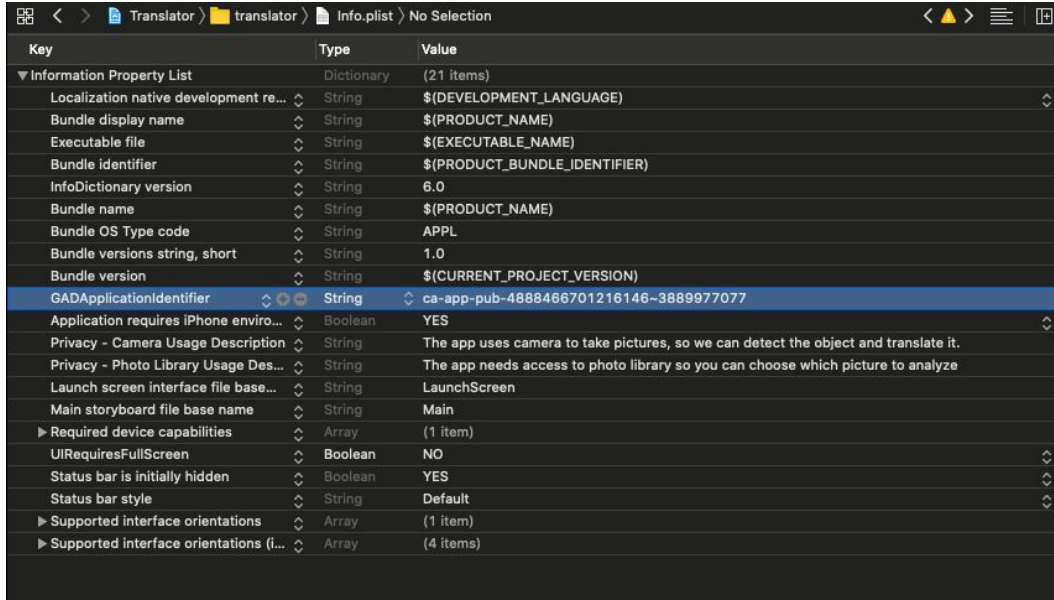

Once you get the API key, copy it and paste it on the Config.swift file on the code.

AdMob:

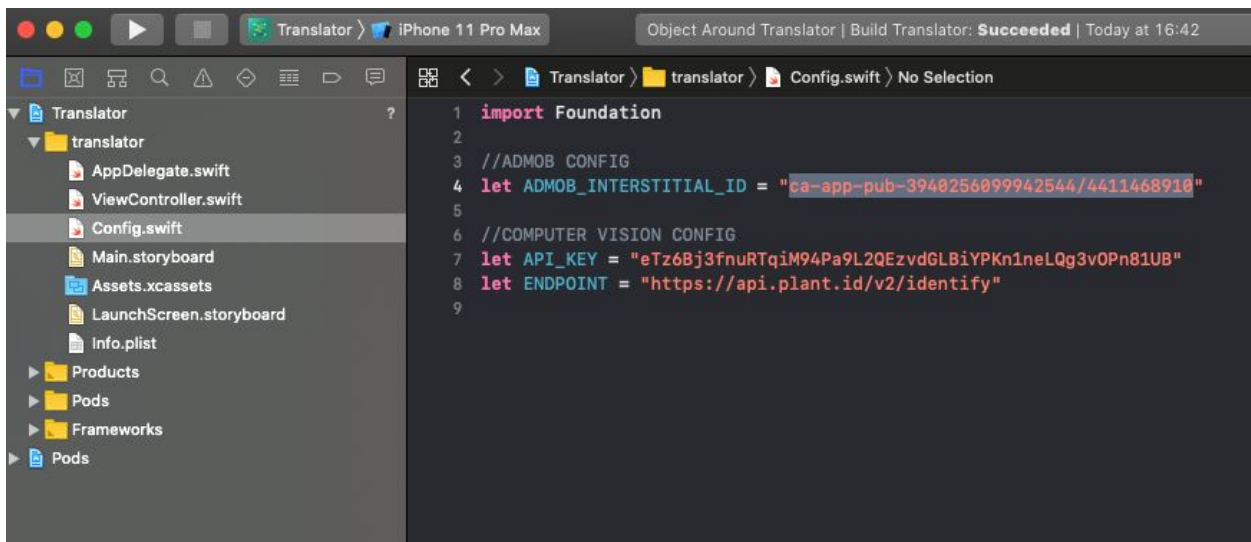

Go to AdMob and create a new app, then create an interstitial, you will get an APP ID, and Interstitial ID.

Copy and paste the app id in Info.plist:
